This must be used for paying in and receiving funds from your Allica account and you may have a different nominated account for each account you hold with us. You may make a request to change your nominated account, however we may require additional supporting evidence before we can process your request.

-
- 2.5. You confirm that any money you deposit is not the proceeds of any criminal offence, whether committed by you or by another person, or connected to any other type of illegal activity. We reserve the right to refuse to accept payments into the account.
 - 2.6. Within the normal course of business, we may review and withdraw a product from our range without notice and refuse to accept any further applications. Once you have submitted your application, we may no longer be able to offer you the product that you have applied for and we reserve the right to refuse your application. Where we cannot offer you a product on the terms that you applied for, we may offer to open a product on different terms.

3 Account users and keeping information up to date

- 3.1. You must make sure that the information that we hold about you is up to date. You must notify us promptly of any changes, such as if you move house, get married or change your email address or phone number. Our business hours are as set out on our website.
- 4.6. Payments in the UK are processed using your sort code and account number, and not your name. It is therefore essential that you give correct details. If they are wrong, it may result in the payment being delayed, paid to the wrong account, or returned to the payer.
- 4.7. We may be asked by another bank to return a payment that has been paid into your account in error. If we find after investigation this is the case, we will return it. We will always try to contact you first but if this is not possible we will let you know as soon as possible afterwards.

The payment should be received within a few hours, but no later than the end of the next working day. This will depend upon where we are sending the payment.
- 5.7. If you request a CHAPS payment, we will send your payment and take the money from your account on that day or on any future date you request. We strongly recommend you install virus checking software and ensure this is kept up-to-date.
 - 7.6. We recommend that you do not use a public computer to access your account. You should always lock any computer you use if you leave it unattended to prevent unauthorised access to your account. By accepting these Terms and Conditions, you agree that use of our online service is at your own risk.
 - 7.7. For technical or other maintenance reasons, there may be times when you are unable to access our online service. Whilst we will try and keep these to an absolute minimum and at off peak times we cannot guarantee that our online service will be available at all times.

8 Interest rates and tax

- 8.1. When you pay money into an account, you'll earn interest from the day we receive the money into your account if the money is received during business hours and from the following day if the money is received outside of business hours. Our business hours are as set out on our website.
- 8.2. We calculate interest on a daily basis on the account balance. This is based on a 365-day year or 366 days in any leap year.
- 8.3. Interest frequency will be set out within the product summary sheet on application. If you receive interest annually, we will pay any interest due on the anniversary of the date you opened your account. If you receive interest monthly, we will pay any interest due on the same day of the month that you opened your account. If that was a day which is not in every month, e.g. 29th, 30th or 31st, then we'll pay your interest on the last day of the month.
- 8.4. Interest will be paid gross, without deduction of tax on all savings accounts. Annual statements of interest are available via the online service. This information is sometimes needed by HMRC to calculate your tax liability. You are responsible for any tax due to HMRC. If HMRC instruct us to do so we will withdraw funds from your account relating to recovery of their debt.
- 8.5. Any funds you withdraw will not receive interest on the date of withdrawal.
- 8.6. Minimum and maximum balances are set out in the product summary sheet on application. We reserve the right to close your account if it falls below the minimum balance required, or if it exceeds the maximum balance we may ask you to reduce the balance.

Changes to interest rates

- 8.7. We will inform you of any changes to variable interest rates by email. We'll give the following notice of any change:
 - we'll notify you of any increases within 30 days of the increase
 - we'll notify you of any reductions at least 14 days before the change.
- 8.8. If we reduce the interest rate on your Notice Account we'll let you know at least 14 calendar days before the rate change. You'll have at least 30 days from the date that we let you know to close your account or switch to a different account without notice, loss of interest or additional charges.
- 8.9. You can view all applicable interest rates for your account(s) by logging into our online service.

9 Changing terms and conditions, or changes to your account

- 9.1. You cannot change these Terms and Conditions at any time.

 - to enhance technology or the systems we use or to improve the way we look after your account;
 - to correct errors in the conditions to make them more favourable to you;
 - to add or remove services, functionality or facilities to the account.
- 9.3. Where we make changes favourable to you, we will notify you of these changes via email before the change takes effect where possible.
- 9.4. If we need to make any changes which are not favourable to you, where reasonably possible, we will give you at least 30 days' notice in writing before they take effect. What is reasonable will depend on the circumstances such as how quickly we feel we need to make the change and the impact on you. After this, we will assume you have accepted the changes.
- 9.5. If the change is to your disadvantage, you will be free to close or transfer your account straightaway and without charge during a 30-day period from the date of the notice.
- 9.6. We reserve the right to move your account to another savings account with us if we agree there are significant commercial reasons for doing so – for example, if we decide to stop offering your particular type of account. We would always give you 30 days' notice of this and during this period you have the right to request closure of the account without penalty.

10 Protecting your savings account

- 10.1. By agreeing to these Terms and Conditions you give us your permission to provide the police, or other financial crime agencies, with any information they need during any investigation.
- 10.2. We may suspend or refuse to carry out transactions on your account if we identify adverse information, we're ordered to do so by an appropriate legal or regulatory body or authority, or if we have reasonable grounds to believe that:

 - your account is being used for illegal purposes (whether by you or a third party);
 - your security information has been, or we reasonably believe it has been, compromised either by loss or theft;
 - the relationship between us has broken down for whatever reason and cannot be repaired;
 - we have reason to believe there is a dispute as to your ownership or entitlement to the money in your account;
 - a bankruptcy order is made against you or is in process of being made against you;
 - circumstances beyond our control prevent us from offering a normal service (such as an act or threat of terrorism, computer failure).
- 10.3. If we take action to suspend your account or a transaction, we'll inform you as soon as possible unless we are unable to do so by law. As soon as the issue is resolved we will re-instate your account.

-
- ask you for your full username or password by phone, email, via our online service or in person. You should consider any request via any means for this information fraudulent.
 - ask you to email or text banking information.
 - send you an email with a link asking you to enter your bank account details.

10.8. Subject to any product specific terms, you retain the right to reclaim your money at all times – please contact us for more information.

- 13.1. We reserve the right of set off and to use the money from any account you have with us to reduce or repay debts you owe us for example on a loan or mortgage. We are not required to give you prior notice of this but we will inform you if this has been done.

14 Data Protection

- 14.1. We will take steps to verify your application. This will involve the search of records held by credit reference, fraud and financial crime prevention agencies. Such agencies not only provide credit and electoral roll information, they can verify your identity and also record the details of searches including whether or not your application proceeds.
- 14.2.
