Who can apply for a Business Overdraft?

Our Business Overdraft is available to UK-registered Limited Companies or Limited Liability Partnerships that have, or are willing to have, an Allica Business Reward Account (**BRA**) as their primary bank account and that meet the following eligibility criteria:

- have been trading for more than 24 months
- have an annual turnover above £500,000 (or above £300,000 if application supported by the Growth Guarantee Scheme)
- can demonstrate profitability

How can I apply for a Business Overdraft?

You can apply in one of the following ways:

- Online via our website if you are new to Allica.
- Through your Allica online banking portal if you are an existing customer.
- With support from your Relationship Manager or broker (as applicable) if you would like assistance or have been introduced to us.

If you do not yet have a BRA, you can still apply. However, a BRA must be opened and made your primary account before a Business Overdraft can be activated.

To start the application process, you will need to provide the following:

- Required overdraft amount
- Purpose of overdraft facility
- Business performance details
- Existing finance arrangements
- 2 years of accounts plus latest Management Information
- 6 months of bank statements (only relevant when Allica is not your primary bank)

Once your application is submitted, to support our assessment of your application, you may need to send us further information, including without limitation certain accounting information and signed authority to perform a credit check. To make this easier for you, you can share it via our partner Validis. You will receive an email with instructions to set up your data connection with Validis. If you prefer you can send it directly to your Relationship Manager via email.

What happens after I apply?

Our Business Overdraft is subject to status. The approval of your application depends on your financial circumstances and borrowing history, so do the terms you may be offered. If your application is approved, we will send you an Offer Letter including your overdraft details and relevant legal documentation, including the Business Overdraft Terms and Conditions, for you to sign.

If you are not already using the BRA as your primary account, you will be requested to transfer your existing primary account to your BRA at this stage. The current account switch service (**CASS**) makes this a simple process.

Once the legal documentation is signed, the conditions precedent as set out in the Offer Letter and/or the Business Overdraft Terms and Conditions are satisfied, and the CASS process has successfully been initiated, the agreed overdraft facility shall be applied to your BRA. For the avoidance of doubt, please note that, if you have a Savings Pot linked to your BRA, you cannot offset any money you deposited in your Savings Pot against your Business Overdraft.
