	Initial 14 Day Funding Period	0.50%	0.50%	0.50%
	12 Month Fixed Term Deposit	0.50%	0.50%	0.50%
	<p>Interest is calculated daily and paid monthly or annually.</p> <p>You can choose to have your interest paid into your Allica Bank savings account, or your nominated account.</p> <p>On opening your account, we give savers up to 14 days to deposit all their funds before the fixed-term begins. During those two weeks, you will earn interest at the rate stated above in 'Initial 14 Day Funding Period' on anything deposited in the account.</p>			
What is the minimum and maximum I can invest?	You can invest between £1,000 and £250,000 into this account.			
Can Allica Bank change the interest rate?	No. In a fixed-term account, we guarantee the interest rate you'll receive for the duration of the fixed term.			
What would the estimated balance be after 12 months based on a £1,000 deposit?	Opening deposit	Balance at maturity	Interest earned	
	£1,000	£1,005.00	£5.00	
	This assumes interest is paid into this savings account and does not take into account individual circumstances.			
How do I open and manage my account?	<p>To open your account:</p> <ul style="list-style-type: none"> You must be a UK resident aged 18 years and over. You will need to nominate another UK bank account in your name that will be used to fund your Allica Bank savings account. This is also where we'll send your money if you choose to make a withdrawal at maturity. Once you have opened your account, you have 14 calendar days to deposit your funds. If your account has not reached the minimum deposit amount in that time, the account will be closed. 			

*AER stands for annual equivalent rate and illustrates the interest rate if it was paid and compounded once each year.
